Jesus

They say You walked upon the water once

When you lived as all men do

Please teach me how to walk the way You did

Because I want to walk with You

Jesus

They say you taught a lame man how to dance

When he had never stood without a crutch

Well, here am I Lord, holding out my withered hands

And I'm just waiting to be touched

Jesus

Write me into Your story

Whisper it to me

And let me know I'm Yours

Jesus

They say You spoke and calmed an angry wave

That was tossed across a stormy sea

Please teach me how to listen, how to obey

'Cause there's a storm inside of me

Jesus

Write me into Your story

Whisper it to me

And let me know I'm Yours

Jesus

They drove the cold nails through Your tired hands

And rolled a stone to seal Your grave

Feels like the devil's rolled a stone onto my heart

Can You roll that stone away?
