Pulled up as he parked the car then he took his little  
feet and walked right  
up to the door.

Went inside looking slick as snot with his smile so  
suave that the women all  
dropped.

Bag in hand with his hammer inside it.  
Shoes so shiny with his Cuban cigar lit...  
down two steps and to the right.

Lucky ten was his number tonight.

Stepped on up with an arrow in sight.

From the middle 1, 2, 3 to the right  
out for the handshake, up for the call,  
watch and see those rednecks fall.

Who is he? King of Polyester.

Who is he? King of Polyester.

Who is he? King of Polyester.

What does he do?

One after another he watched them fall,  
his mighty hook was way to much for them all  
the people to cheered as they swept them away he  
turned around and said well

what can I say

half way there with no sweat in sight he swung once  
again and knocked with all  
of his might

7, 8, 9 without a problem the room grew silent as he  
came upon ten.

Stepped on up with an arrow in sight.

From the middle 1, 2, 3 to the right  
out for the handshake, up for the call,  
watch and see those rednecks fall.

Who is he? King of Polyester.

Who is he? King of Polyester.

Who is he? King of Polyester.

What does he do?

Two down with one to go.

If he gets the last one it will quite a show.

His arm swung forward as he let it go.

The air was shattered by the force of the throw down  
the alley with his  
perfect hook.

He hit them so hard the whole room shook people  
cheered as they hit the  
ground.  
Their ears were deafened by the crushing sound.  
Waved to the people as he picked up his bag grabbed  
his cigar and his black  
silk rag.  
Up two steps and to the right, out the door be back  
tomorrow tonight.  
Who is he? King of Polyester.  
Who is he? King of Polyester.  
Who is he? King of Polyester.  
What does he do?
