Followed you home one night after work.
Saw you go inside and watch Captain Kirk.
Ten o' clock rolled around the lights went out that's
when I decided to roam
about.
I want to see your house from the inside I want to feel it
like it's mine all
mine.
I dreamt about you every night and day.
That's why I want you to come out and play.
I crawled through your window because your door was
locked the floor was
creaking as I walked.
Strolled through your kitchen and into your den. That's
where I found my old
friend.
I got some food and put it in his dish. He started to
growl cause it smelled
like fish.
I want to see your house from the inside I want to feel it
like it's mine all
mine.
I dreamt about you every night and day.
That's why I want you to come out and play.
Saw some lights outside the door. Guys in uniforms
and a whole lot more.
One guy jumped me and wrestled me down the next
thing I knew I was being
hauled downtown.
I couldn't figure out why they locked me up when all I
wanted to do was feed
your pup.
I want to see your house from the inside I want to feel it
like it's mine all
mine.
I dreamt about you every night and day.
That's why I want you to come out and play.
