She was a walkin in the garden one day
When a snake slipped around her feet
Follow me on over to this tree
And I'll give you something good to eat

Well I don't know
Are you sure
I don't think it is right
It doesn't matter just open your mouth
and take a tasty bite.

Said to him I think it's a sin,
but boy does it look ripe
Said to her just take my word
and I promise you'll see the light

-Chorus-
Why don't you skid-a-dee-e
cuz I don't wanna see your face around here no more
Why don't you skid-a-lee-do
cuz this is now and now is the choice...
Cuz you want the devil and the devil is bad- hey
You want the devil and the devil is bad- hey
You want the devil and the devil is bad- hey
You are the devil and you are BAD!

(swing music)

Tempted met him in the desert one day,
Oh you are the Son of God

Turn stones into wholesome bread
and make your hunger stop

Even though His hunger had grown real strong
He endured and simply replied
Man does not live by bread alone but on the Word of
God

Turn Him in and worship me
and the kings of the world are yours
Away from me with your evil ways

cuz I worship and serve a God

(repeat Chorus)
