Wishing I had time to walk under the North Star
with you.I am skipping to the beat of Micheals'
song under the moon on a clear sky night.

I wanted to have a life time of Cherished times with
you.
Wanted to take family trips,new cars and 4x4s.I want
you
to know you have deep love from the core of my soul.

Raging rivers,shooting star upon you.
A heart is as pure as the wind after a summer
rain.Scarses you carry with in.tears you have cried
only buckets have you filled.I have cried rivers of
tears over lossing you.

I have been where you are.Walked your foot prints
in the sands of my time.I am feeling the connection
of your soul these days.Watching you in my mind
for many days gone by.

Raging rivers,shooting star upon you.
A heart is as pure as the wind after a summer
rain.Scarses you carry with in.tears you have cried
only buckets have you filled.I have cried rivers of
tears over lossing you.

Your seeing the moon,but feeling hurt from with in.
Your heart is like a raging river.Hurting so deep inside
but yet running so wide.

Walk to the moon.the light will guide you for
eternity.Seeing the dreams you dream.I will
be walking with you in the sands of our time.

dancing to the rythem of your song.While your
old man is having one foot in his grave.I hear he is
living in a hole in the wall these days.Scotty,
your dad needed to be taught some lessons
from onehotcherokeebabe.

Your dad is still trying to become a modern man.

I think he is beginning to see what I tried to
him him believe in..Scotty your old man may just
surprise us and be a modern man.Thanks to a smart
babe he met many years ago and he stole her heart.

Raging rivers, shooting star upon you.
A heart is as pure as the wind after a summer
rain.Scars you carry with in.tears you have cried
only buckets have you filled.I have cried rivers of
tears over losing you.
