And I've got somethin' I want to tell him
Die die Billy Mullen
Die die Billy
He's not just fat, he's fat in the head
He's the only guy I know that flunked driver's ed
"I am a genius!" no you're not,
You cheat in school, you get fucking caught
Die die Billy Mullen
Die die Billy
Hey everybody, have ya heard the news
Billy came to school with out any shoes
He wore bags on his feet, he didn't look neat
He's just another Matt Scott Teets
Die die Billy Mullen
Die die Billy
He had a ball in the hall
Quit sleeping on the floor you dick
