Silenced and  
Blindfolded  
Take a look around  
Human rights are  
Stripped away  
Without a sound  
Gay/Bi/Lesbian  
Have no rights  
As humans  
Rights expelled  
From the  
Right Wing Factions  
Just another apartheid  
Denying someone freedom  
Just another race crime  
Against your religion  
Government  
Spreading aids  
To control the population  
Is AIDS  
The plague  
To Kill the unwanted Nation  
Silence = Death  
If we let them take control  
Break these bonds and  
Break these chains  
We can't be bought or sold  
Take back your humanity  
It's your fucking right  
Rights no based on sexuality  
You've Gotta fucking fight  
Silence = Death / Gotta fight  
Silence = Death / No Rights
