Stand a little  
From your hand  
Broken birdie  
Lost his voice

Black black lightning  
Broken calls  
Painful babies  
Smokes of land

Crying pictures  
(sold / swallowed / showed) me (whole / home) ??  
(oh so bottled / no clue at all) ??  
Little bird

Stand a little  
From your hand  
Broken birdie  
Lost his voice

Crying pictures  
(sold / swallowed / showed) me (whole / home) ??  
(oh so bottled / no clue at all)  
Little bird

See me loathing  
In a peep  
Lying supple  
Crumb of war

Open pa-pa  
Oh, sinners  
Lost a big peep  
Sailing free
