Swim to shore
We two
Pet the kids
Whe who
Lose our way
To drunk
Scream and shout
Go hide
With you who fall me too small,
Can I try make it good again
Sin for you who they will find your way
While go way nice and dark come back
Home
Swim to shore

We two
Pet the kids
Whe who
Lose our way
To drunk
Scream and shout
Go hide
With you please fall me who so small can
I try make it burn again
Sin for you who they will find your way
A while go way nice and dark come back
