Please don't cry for hammer in your teeth  
We'll spoil the pretty snow that lies beneath  
Who go cry for hammer in her teeth  
We'll spoil her pretty face at least she feels real  
No-go cry for hammer in your teeth  
We'll spoil the pretty snow that never feels real

Breathe, you breathe  
Believe you me tonight  
Breath in, breath out  
Make good, make float  
Bleed you me  
\_? n'tt

Please don't cry for hammer in your teeth  
We'll spoil the pretty snow that lies beneath  
And summer will make good for all of our sins  
if we only wish it hard enough

Breathe, you breathe  
who go who cry  
believe you me  
to night/m'm night  
Breathe in, breathe out  
make good, make float  
bleed you me  
\_? n'tt

Sh? cry, who closes eyes and hopes not to come back
