It's been a long time

Since I've been back home

It's been a long time

Since I had a place of my own

It's been a long time

Since I felt this free

It's been a long time

Since I had some room to breathe

I've been running up and down this road

Something changed -- what, I don't know

Where I've been, or where I've gone

It's been a long time since I,

Since I've been back home

So,

Take me to the place

Where I belong

Won't you please,

Won't you please take me home

Take me to the place

Where I feel strong

Won't you please,

Won't you please take me home

It's been a long time

Since I've been back home

It's been a long time

Since I had a place of my own

It's been a long time

Since I felt this free

It's been a long time

Since I had some room to

Breathe

Take me to the place

Where I belong

Won't you please,

Won't you please take me home

Take me to the place

Where I feel strong

Won't you please,

Won't you please,

Take me home
