(M. Boxer, T. Delillo, M. Epstein, W. Gottlieb, G. Levine,

Rothschild, T. Weisbrot)  
Woke up last night  
3 A.M.  
Noone around  
Must've been a dream  
Then I heard  
A most familiar voice  
In my head  
I didn't have a choice  
It said, "You better  
Hit the road  
Today,  
Before it's too late  
It doesn't matter what you need,  
You just have to find me"  
(Down to Rhode Island)  
You don't have to call  
(Down to Rhode Island)  
You don't have to write  
(Down to Rhode Island)  
Noone has to know  
(Down to Rhode Island)  
I packed my bags  
I got in my car  
I took all the back roads  
It wasn't very far  
I crossed the border  
To Rhode Island state  
And just leave to to me  
To just leave to to fate  
I walked in the bar, it was  
3 P.M.  
When I walked in I saw  
My old friend McBain  
He said, "I'm so glad  
You made it,  
I guess it was  
Just fate"  
(Down to Rhode Island)  
You don't have to call

(Down to Rhode Island)  
You don't have to write  
(Down to Rhode Island)  
Noone has to know  
(Down to Rhode Island)  
Providence!...  
(Down to Rhode Island)  
You don't have to call  
(Down to Rhode Island)  
You don't have to write  
(Down to Rhode Island)  
Noone has to know  
(Down to Rhode Island)  
Down to Rhode Island
