I'm lookin' the moonlight  
Lost in the place where ice burns  
I'm leavin' the moonshine  
I don't know where i will go  
And in the shadows  
Defeat the plunderer forces  
I've lost my pleasure  
Feel people's tears in the world

Destruction of Gaia  
Destruction of world  
Destruction of Gaia  
Destruction of world

And lost through shadows  
I look for my way  
And lost in blindness  
I'll finally be safe  
And lost through shadows  
I look for my way  
And lost in blindness  
The hammer of faith

I'm ridin' my journey  
Now I know what's to be done  
My armour is brightenin'  
Under the light of the gods  
And in the shadows  
Defeat the plunderers force  
I've lost my pleasure  
Feel people's tears in the world

Destruction of Gaia  
Destruction of world  
Destruction of Gaia  
Destruction of world
