Well, she knows how to rock it, knows how to groove  
Rock 'n roll ya, move your groove  
Well, she make you feel great, make you feel crazy  
Hazy days in crazy ways

Wi-ild - give me wild love  
Wi-ild - give me wild love ....

Well, she makes you feel beat, makes you feel booty  
Hits you so high, don't know what you're doin'  
She's a cat, she's a kitten, woman she's a child  
Lifts you up high, higher and higher

Wi-ild - give me wild love  
Wi-ild - give me wild love ....

By the dark of the day, by the light of the night  
By the sound in the silence, the noise in the quiet  
She comes in so swift, with the halo of rainbow  
With the sunlight, that thing is fable

She's wild, she's wild, she's wild, she's an angel child

Wi-ild - give me wild love  
Wi-ild - give me wild love ....

Tickie dom-dom - hey  
Tickie dom-dom - hey  
Wi-ild wi-ild wi-ild wi-ild

Tickie dom-dom - hey  
Tickie dom-dom - hey  
Wi-ild wi-ild wi-ild wi-ild

If she is believing she walks like a tiger  
Sounds like a lion, roars like a wildcat  
Hits you like thunder, crabs you like lightning  
Truly like morrow, she is like Monroe

She's wild, she wild, she wild, she's an angel child  
She wild, she wild, she wild, she's an angel child

She's so wild, she's an angel child  
She's so wild, she's an angel child

Wi-ild - give me wild love  
Wi-ild - give me wild love ....  
Wild wild - give me wild love  
Wild wild - give me wild love ....
