I've got a song, I'm gonna sing it,
I'm gonna sing this song an' it won't take very long,
I'm gonna sing this song an' it won't take very long,
Sing this song, sing this song, sing with me,

I've got a dream, I'm gonna dream it,
I'm gonna dream this dream an' it won't take very long,
I'm gonna dream this dream an' it won't take very long,
Dream this dream, dream this dream, dream with me,

I know everything I do ain't right, it ain't right,
I know every star in the sky ain't bright,
Warm your hands by the fire with me,
Tell me what you like,
It's alright, it's alright, it's alright,

I've got a love, I'm gonna love it,
I'm gonna love this love an' it won't take very long,
I'm gonna love this love an' it won't take very long,
Love this love, love this love, love with me,

I know everything I do ain't right, it ain't right,
I know every star in the sky ain't bright,
Warm your hands by the fire with me,
Tell me what you like,
It's alright, it's alright, it's alright,

I've got a life, I'm gonna live it,
I'm gonna live this life and it won't take very long,
I'm gonna live this life an' it won't take very long,
Live this life, live this life live with me,
Live this life, live this life live with me
