I woke up this morning and I combed my hair
Found a knot hiding, said "What are you doing there?"
He said "I couldn't sleep and I got no home, so I
crawled right in,
You look like a nice bloke"

Ta ta ta ta ta ta Taste, (x3)
Taste the Celebration

I walked downstairs, didn't do my hair
Didn't look so hot, but should I care?
I went to the store with the knot still there
He said "You've been so nice, you show me you really
care"
We bought some shampoo and some Gatorade,
I offered him some but he said "no thanks"
We walked around for an hour or two
we shared some laughs more than just a few

Ta ta ta ta ta ta Taste, (x3)
Taste the Celebration

I got back home turned on the shower
Sat around and waited for a half an hour
Took off my clothes and I shut the door
I opened the curtain and
STOP

He said "Dear friend, before you step in,
Let me tell you something, that takes one moment
I'd like to thank you what you did today,
You're the only one that would make this little change
You walked around all day with me
You've given me hope and made me so happy
As I move on to another place
I will always have faith
and"
