True, it is said  
That they cannot feel, they cannot think  
They have no minds and they cannot blink

You'll soon regret  
Not preparing to save yourself  
For the end of the world is upon us now

1, 2, 3 There are too many  
4, 5, 6, 7, 8, 9, 10  
They're coming through the door and up through the  
floor  
And it comes to me  
That Zombies Can't Dance

True, it is said  
That we're stronger, faster and smarter through  
But soon enough we'll be the few

You have a point  
Though the outcome is weak and our chances are  
bleak  
At least, we can dance

1, 2, 3 There are too many  
4, 5, 6, 7, 8, 9, 10  
They're coming through the door and up through the  
floor  
And it comes to me  
That Zombies Can't Dance

I run up the stairs and into my bed  
Forgot to chop them down soon I'll be dead  
There's no escape, I'll be put to death  
And it comes to me  
That Zombies Can't Dance
