Dark are these halls
and the air that the prisoners breathe tastes so putrid...
So malevolent that it would make even the most
immune
feel very nauseous from the very first gasp of air...

Such is the sickening Hail of this pit...
Known to someone as Hell...
Halls of Torture, Eternal Lair of Stillness
where moments of torture feel as mercy itself

Perpetual Monotony

"vomit...flesh...blood...murder...bodies...
ruler...tyrant...obey him"

Fixed Helpless onto these rotting walls
the doomed await the coming torment...

Inhaling the upsetting scent of corpses
and the repulsing smell of sulphur
arising from the pits below their very feet...

Vomiting their lungs out
hoping to die
but they wont...

The master enters his torture chamber
his minions wait for his commands
helpless prisoners moan of fear

everyone the master considered to be tortured,
were tortured, some of them died, some didn't
one day he?ll come back again to torment the
ones he doesn't appreciate

Torture all:
Vomit on everyone, Crush everyone's bones
Rape everyone, Burn everyone
post-mortem for everyone
-I shall.....

everyone left alive still wait for the next time.
the waiting is even more horrid than the torture
itself.

one of the dead corpses still commits an act of
diarrhoea

one of the hanging bodies still bleed a mixture of
excrements and blood
