You've applied the pressure  
To have me crystalized  
And you've got the faith  
That I could bring paradise

I'll forgive and forget  
Before I'm paralyzed  
Do I have to keep up the pace  
To keep you satisfied

Things have gotten closer to the sun  
And I've done things in small doses  
So don't think that I'm pushing you away  
When you're the one that I've kept closest

(Ahh ahh ahh) (x4)

You don't move slow  
Taking steps in my directions  
The sound resounds, echo  
Does it lesson your affection

No

You say I'm foolish  
For pushing this aside  
But burn down our home  
I won't leave alive

Glaciers have melted to the sea  
I wish the tide would take me over  
I've been down on my knees  
And you just keep on getting closer

(Ahh ahh ahh) (x4)

Glaciers have melted to the sea (Things have gotten  
closer to the sun)  
I wish the tide would take me over (And I've done  
things in small doses)  
I've been down onto my knees (So don't think that I'm  
pushing you away)

And you just keep on getting closer (When you're the  
one that I've kept closest)

Go slow (5x)
