Verse 1

Innocent of the charge
Spotless lamb his guilt was ours
Life force wanes God's chosen one
Flesh stripped away
World's sin will lay on God's true son

Chorus

Salvation He gave His life away
Redemption He's risen from the grave

Verse 2

Human clay Son of man
Death to life The Master's plan
Just believe confess today
In the one conceived by God
He's the only way to

Chorus

Salvation
He gave his life away
Redemption
He's risen from the grave
