This generation rules the nation
with version

Music happen to be the food of love.
Sounds to really make you rub and scrub.
I say: Pass the Dutchie on the leff hand side

Pass the Dutchie on the left hand side

It a gonna burn
give me music make me jump and prance

It a go done
give me the music make me rock in the dance.
It was a cool and lovely breezy afternoon.
How does it feel when you've got no food?
You could feel it 'cause it was the month of June.
How does it feel when you've got no food?
So I left my gate and went out for a waki.
How does it feel when you've got no food?
As I pass the dreadlocks' camp I heard them say:
Pass the Dutchie on the left hand side

...

So I stopped to find out what was going on.
How does it feel when you've got no food?
'cause the spirit of Jah you know he leads you on.
How does it feel when you've got no food?
There was a ring of dreads and a session was there in
swing.
How does it feel when you've got no food?
You could feel the chill as I seen and heard them say:
How does it feel when you've got no food?
Pass the Dutchie on the leff hand side

...

'cos me say listen to the drummer
me say listen to the bass.
Give me little music make me wind up me waist.
Me say listen to the drummer
me say listen to the bass

Give me little music make me wind up me waist.
Pass the Dutchie on the left hand side

...

You play it on the radio a so me say
we a go hear it on the stereo

A so me know you a go play it on the disco

A so me say we a go hear it on the stereo.
Pass the Dutchie on the leff hand side

...

I say east
say west
say north and south

This is gonna make us jump and shout.
