Chorus x2

I've been next to ya
I only wanna be next to ya
I've been next to ya
I only wanna be next to ya

(Young Jinsu)

I WANNA BE NEXT TO YA, NEXTEL TO YA
BODY FEELING SO SARAMIC.. I COULD SEE RIGHT
THROUGH YA,
UHÂ...
WAS IN IT LIKE CH CH CHECK OUT MY MELODY
A GOOD CONVERSATION, HOPING YOU WOULD
REMEMBER ME
THE ENERGY BUILD, THEN YOU GOT FILLED
WITH THOUGHTS RUNNING THROUGH THE MIND
THOUGH THAT MADE IT FEEL, HA..
GIRL YOU SPECIAL STILL WAITING FOR THE TURN OUT
WHY YOU ON THE EDGE THINKING IMMA GO THE
WRONG ROUTE
(UH)

(Krys)

After everything we been through
I was there for you, you was there for me
(And I) wanna know whats the issue
Can we make it last or am I just crazy?
Thinking bout when we first met
The way we touched, the way I felt
(And I) really wanna know if its for real

HOOK (Krys)

I've gone over this once, over this twice and then
Baby I came to the conclusion that
I really needed you and no-one in this world can take
your place
If we gave this thing up it would be such a shame
Baby cos I've been next to ya
And I only wanna be next to ya

Chorus x2

I've been next to ya

I only wanna be next to ya
I've been next to ya
I only wanna be next to ya

(Krys)

Hope that you understand me
When I say, what I say
(And I) brought you into my family
Your part of us you know that they love you
Thinking bout when we first met
The way we touched, the way I felt
(And I) really wanna know if this is for real

HOOK

I've gone over this once, over this twice and then
Baby I came to the conclusion that
I really needed you and no-one in this world can take
your place
If we gave this thing up it would be such a shame
Baby cos I've been next to ya
And I only wanna be next to ya

Chorus x2

I've been next to ya
I only wanna be next to ya
I've been next to ya
