Another Bert and Ernie Singalong  
thanks to Charles Evans (cee1@ra.MsState.Edu)  
[The arrowed lines are from memory, because I did not  
hit REC on the VCR  
fast enough . . .]  
> [E. walks in with pot and plops it on B.'s head]  
>  
> E: Here Bert, try this on!  
> B: Hey, hey, Ernie, what are you doing? Get that pot  
off my head! Why?  
> E: Well haa, ya see Bert, a little while ago, I dropped  
and broke the  
> cookie jar.  
> B: Oh, Ernie, you didn't!  
> E: Mmm hmmm.  
B: Oh well, all right, so you broke the cookie jar, but  
what's it gotta do  
with that pot there, huh?  
E: Well you see, I had to put the cookies somewhere...  
B: Yeah?  
E: Bert, um... just a second. I... I... I'll show you, Bert.  
B: [looks at camera] I don't understand.  
E: [brings in sugar bowl with cookies] See, I broke the  
cookie jar and so I  
had to put the cookies in the sugar bowl, see? [takes a  
taste of one]  
B: Well... yeah, Ernie, but but if you put the cookies in  
the sugar bowl,  
then where'd ya put the sugar?  
E: Well, I'll show you, Bert! [famous Ernie hmm] Hmm  
hmm hmm [leaves with  
bowl and Bert looks at camera]  
B: Ya show me. [does the famous head tilt]  
E: Ok, well you see, I put the sugar in the flower pot  
here.  
B: In the flower pot?! Oh great... just great. Well  
\_where'd\_ you put the  
flower that was growing there, huh?  
E: Oh I'll show you, Bert! [takes away the pot]  
B: Ya gonna show me again... I don't get this.  
E: [brings in milk bottle and flower] Ya see, I had to  
plant this flower here

into this milk bottle, see... nicely planted, I watered it and everthing.

B: [Looking very stunned] [E. looks straight into camera all proud, shaking his head about his nose] ERNIE!!!! [Shaking head]

E: [Calmly] Hmm?

B: Well now WHERE is the milk?!

E: Oh, I'll show you, Bert.

B: [E. leaves] Ya gonna show me where the milk is too. Oh Ernie, I ...

[looks at E. returning with a root beer bottle.. stunned]

E: See I put the milk into the, uh, soda bottle

B: [Gets close to E. in quiet voice gradually getting louder] Ernie... I'm

trying to be patient, but \_\_where\_\_ is the soda??

E: Oh just a second, Bert, I'll show you... [calmly as usual, Bert getting

more stunned and irritated gives out his famous]

B: Aaaaaahhhh!

E: [Brings in the soda-filled fishbowl] It wasn't easy, but I put the soda in

the [straining] mmm fishbowl

B: In the fishbowl?! Ernie, this is CRAZY!! Now where are the fish?!?

E: Oh... well, I'll show you, Bert. [even calmer than before]

B: [stares into camera as E. leaves for a few seconds and ...] Ooohhhh,

Ernie, what are you doing now? [Mouth wider than ever in shock]

E: Oh, I gotta carry it out here, Bert... I put the fish in... to... the

cowboy hat, ya see.

B: [looks down into hat as fish squirts water in B.'s face] Oh, no... Eeeyah!

[wipes faces stands there with mouth firmly closed very angry]

E: [points calmly at fish in hat] Take it easy there, fella.

B: [angrily] Ernie, Ernie, that is MY cowboy hat...

E: Yeah, so? [VERY calmly]

B: But ya, you but the fish in it, Now what am I gonna do when I wanna play

cowboy?

E: Oh, umm, well [reaches for pot and puts it on B.'s head] Ride em cowboy,

Bert! [pats Bert on back] [E.'s patented laugh]

Keheeheeheehee

[End music begins with Bert standing there as usual, and Ernie leaving.

There was one neat trick done in it, at the end when Ernie put the pot

on Bert's head (probably at the beginning.. which I didn't see). You know how Ernie's hands are real and the person's arm go in at his elbows, which are always below the counter/stage, but to get the pot on the head, the hand person, had to make a quick .. nicely-done move behind Bert and up with the pot.. with Elbow behind Bert so Ernie's hand is up in the air with nothing showing.
