I got cabin fever it's burning in my brain
I've got cabin fever it's driving me insane
We got cabin fever, we're flipping our bandanas
Been stuck at sea so long we have simply gone
bananas

Ariba!
Chica chica boom
A chica chica boom boom chic
Chica chica boom
A chica chica boom boom chic

We got cabin fever we've lost what sense we had
We got cabin fever, we're all going mad

*** [does not appear in movie, but is on the
soundtrack]

My sanity is hanging by a thread
Since we're going nowhere I've gone out of my head
We were sailing sailing over the bounding main
(Lew Zealand:) And now we're not! Ha ha heh!

Grab your partner by the ears
Lash him to the wheel
Do-si-do step on his toe
Listen to him squeal
Allemande left, allemande right
It's time to sail or sink
Swing your partner over the side
Drop him in the drink

We got cabin fever
No if's, and's, or but's
We're disoriented
And demented
And a little nuts

Ach du lieber Volkswagen car
(Yodel-lay-ee-hoo)

Saur braten viener schnitzel
Und a vunder bar
(Yodel-lay-ee-hoo)

We were sailing, sailing the wind was on our side
And then it died

I've got cabin fever
I think I've lost my grip
I'd like to get my hands on
Whoever wrote this script
Si!

I was floating 'neath a tropic moon
And dreaming of a blue lagoon
Now I'm crazy as a loon

Cabin fever has ravaged all aboard
This once proud vessel has become a floating psycho
ward
We were sailing, sailing headed who knows where
And now though we're all here We're not all there Cabin
fever!
