### "Chairman of the Board"

It's a golden opportunity that's knocking  
And you know by now the answer's up to you  
But you're ready, because you have an education  
So, be confident, there's nothing you can't do

You can soar above the mediocore  
Soar above the rest!  
If you do your work with vigor  
You'll be bigger than the best!

Be proud of your ambitions  
Being lazy is a curse  
We want no empty pockets and we want no empty  
purse

Work for a living, love for your work  
Don't think about vacations, you can overcome that  
quirk  
Insist on being heard, a squeaky wheel can't be  
ignored  
If you do what's right, if you prove you're bright  
You'll be chairman of the board  
Think about it, chair of the board  
Yes!  
Oh, Ebenezer, if only I could be you!

When the world snaps to attention, you should be the  
first to SNAP!  
And you'll wind up on a mountain top with a feather in  
your cap  
Keep your mind a'working and your feet firm on the  
ground  
Your dedication makes you king, today you're being  
crowned  
Keep your mind a'working and your feet firm on the  
ground  
Your dedication makes you king, today you're being  
crowned  
Your dedication makes you king, today you're being  
crowned
