"Go With The Flow"

When every dream you've had,
Has gone from good to bad,
Get a move on.
Go with the flow.
When every road you choose,
Gives the loser's blues,
Get a move on.
Go with the flow.
Well, when you try all day,
Try all night,
Try until you drop,
Until it don't come right.
If you're gonna grow, you know you,
Gotta go with the flow.
When the dark comes down,
The night is all around,
Get a move on.
Go with the flow.
You know you can't pretend,
You're looking straight at the end.
Get a move on.
Go with the flow.
Well when you're deep in fear,
Right up to here,
It's a very ??? atmosphere.
If you're gonna grow, you know you,
Gotta go with the flow.
Get a move on.
Get a move on.
Go with the flow.
(Get a move on)
(Get a move on)
(Go with the flow)
"I hate this." -Boober
"Oh, yeah. Then how come your tail is wagging?" -Red
Get a move on.
Get a move on.
Go with the flow.
And when the world won't work.
You're feeling like a jerk.
Get a move on.
Go with the flow.

And when it's down the tubes.
You're feeling like a boob.
Get a move on.
Go with the flow.
When everything's good-bye.
You're ready to die.
You wouldn't give a nickel for an apple pie.
If you're gonna grow, you know you,
Gotta go with the flow.
Get a move on.
Get a move on.
Go with the flow.
(Repeat 3 times)
