Oh I'm goin' for a ride
Gonna sit behind the wheel
Gonna drive along the road,
Oh how happy I will feel.
And I'm gonna toot my horn--(Beep-Beep)
Gonna travel near and far
I'm goin' for a ride
Goin' riding in a car.

And a car goes (RRRRR-RRRRR!)
And a car goes (RRRRR-RRRRR!)
Gonna travel near and far--Goin' ridin' in a car.

Oh I'm goin' for a ride
And I'm never coming back.
Gonna be an engineer
Gonna speed along the track.
And you'll hear my whistle blow
And I'm happy to explain--
That I'm goin' for a ride
Goin' riding in a train.

And a train goes (Woo-wooo)
And a train goes (Woo-wooo)
And I'm happy to explain--
I'm goin' riding in a train.

Oh I'm goin' for a ride
I'm gonna sail the ocean blue
And I'm gonna be a captain
And I'm gonna have a crew.
Gonna sail the seven seas,
On the water I will float.
Cause I'm going for a ride
And I'm riding in a boat.

And a boat goes (tooo-tooo)
And a boat goes (tooo-tooo)
On the water I will float
Goin' riding on a boat.

Yes I'm goin' for a ride (RRRRR-RRRRR!)
Yes I'm goin' for a ride (Woo-wooo)
Yes I'm goin' for a ride (tooo-tooo)
Yes we're goin' for a ride
