No matter what life may be bring
No matter what i may do
Be sure of one special thing
Im gonna always be loving you

Gonna be a movie star
And im gonna learn to drive a car
Gonna be a veterinarian to
and im gonna always love you

I'll be the cutest model you ever saw
And then i think i'll study criminal law
And im gonna learn to scuba dive too
And im gonna always love you

MA MA, DA DA, POO POO, SHOO WA WA (x3)

Well im gonna be a singer, wo, wo, wo
And im gonna learn to fly a plane (Waker, Waker,

I'll be a doctor With diseases and help you with
sneezes
And practice nurosurgery on your brain

Gonna climb the matterhorn
But only after all our children are born
Cos i wanna be a good mummy to
And im gonna always love you
