Lonely? hey, I get lonely. Sad? whoo! I know sad.  
But you do what you can with the things that you see to  
make life a jamboree!

And I see cows playing cellos with bananas where their  
horns should be.  
And I see flags being waved by ducks in buckets, and  
pigs drinking lemon tea.

Jamboree!  
Jamboree!  
Find where you hide and look inside and you've got a  
jamboree ee ee ee ee...

If all you know are bad times, if all you see are walls,  
If you get your news from the skuffs on your shoes,  
Then that won't help at all.

'Cause you've gotta see penguins throwing popcorn,  
Chickens on a well-dressed moose (hi girls!)  
And you gotta see rats floating by on pink balloons,  
And fuzzy things on the loose.

Jamboree!  
Jamboree!  
Find where you hide and look inside and you've got a  
jamboree.

Well you go run from thunder and you stay away from  
rain,  
But I'll be looking at the colors in the puddles to see my  
jamboree.

Jamboree! (chocolate cakes!)  
Jamboree! (bells on snakes!)  
Some people give up, some people get out, but me,  
(whoo whoo whoo)  
I'm a jamboree!

Jamboree! Jamboree!  
Jamboree! Jamboree!

Jamboree! Jamboree! Me, I'm a jamboree.
