Everything is great
Everything is grand
I got the whole wide world in the palm of my hand
Everything is perfect
It's falling into place
I can't seem to wipe this smile off my face
Life's a happy song, when there's someone by my side
to sing along

When you're alone, life can be a little low
It makes you feel like you're 3 foot tall
When it's just you " well, times can be tough
When there's no one there to catch your fall

Everything is great
Everything is grand
I got the whole wide world in the palm of my hand
Everything is perfect
It's falling into place
I can't seem to wipe this smile off my face

Life smells like a rose
With someone to paint
And someone to pose
Life's like a piece of cake
With someone to pedal
And someone to brake
Life is full of glee
With someone to saw
And someone to see
Life's a happy song, when there's someone by my side
to sing along

I've got everything that I need " right in front of me
Nothing's stopping me
Nothing that I can't be
With you right here next to me

Life's a piece of cake
With someone to give
And someone to take

Life's a piece of pie
With someone to wash
And someone to dry
Life's an easy road
With someone beside you to share the load
Life is full of highs
With someone to stir
And someone to fry
Life's a leg of lamb
With someone there to lend a hand
Life's a bunch of flowers
With someone to while away the hours
Life's a filet of fish, eh!
â€¦ Yes, it is
Life's a happy song, when there's someone by your
side to sing along

I've got everything that I need â€” right in front of me
Nothing's stopping me
Nothing that I can't be
With you right here next to me

I've got everything that I need
â€¦ Right in front of me

[Talking]
"Sorry, super excited."

"Oh, this is the most romantic thing ever,
I've always dreamt of seeing Los Angeles."

"I know, Walter can't wait either.
You don't mind that he's coming, right?"

"Oh, no. No, of course not.
As long as we can spend our anniversary dinner
together,
That's all I ask."

"OK, let me check on Walter."

Everything is great
Everything is grand
Except Gary's always off with his friend
It's never me and him
It's always me and him and him
I wonder when it's going to end?
But I guess that's OK
'Cause maybe someday
I know just how it's going to be
He'll ride up on a steed

And get down on one knee
And say, "Mary, will you marry meeeeâ€¦ please?"

I've got everything that I need â€œ“ right in front of me
Nothing's stopping me
Nothing that I can't be
With you right here next to me

You've got everything that you need â€œ“ right in front
of you
Nothing's stopping you
Nothing that you can't do you
That the world can throw at you

Life's a happy song
When there's someone by your side to sing
Life's a happy song
When there's someone by your side to sing
Life's a happy song
When there's someone by your side to sing along
