"Little things"

I believe in little things
That you can hardly see
Like honeycomb and spider webs
and starfish in the sea.

I believe in little things
Like Icy drops of rain
That melt into the morning mist
When winds are warm again.

I believe in little things
Like colors in the sky
And noticing the waves roll in
And how the flowers die.

Knowing they'll be back again
Whenever it's July.

I believe in little things
Like you and me,
And just how big
Little things can be.
