I reflect on my reflection  
and I ask myself the question  
What's the right direction, to go  
I don't know  
Am I a man or am I a muppet  
(am I a muppet)  
If I'm a muppet then im a very manly muppet  
(a very manly muppet)  
Am I a muppet (muppet) or am I a man (am I a man)  
If I'm a man that makes me a muppet of a man  
(a muppet of a man)  
I look into these eyes  
and I don't recognise  
The one I see insi-i-i-ide  
It's time for me to decide  
Am I a man or am I a muppet  
(am I a muppet)  
If I'm a muppet, well im a very manly muppet  
(a very manly muppet)  
Am I a muppet (muppet) or am I a man (am I a man)  
If I'm a man that makes me a muppet of a man  
(a muppet of a man)  
Here I go again  
I'm always running out of time  
I think I've made up my mind  
Now I understand, who I am  
I'm A Man!  
I'm A Muppet!  
I'm a Muppet of a man  
I'm a very manly Muppet  
I'm a Muppety Man  
That's what I am
