Gimme my good friends
'N play me my music
Yeah, gimme my night life

Talk me that guitar
'N roll me that boogie
Hey, gimme my night life

We'll dance in the moonlight
We'll rock until dawn
'N if you can not dig it baby
I'm movin' on

Sing me the good times
'Cause I need the feelin'
Yeah, Gimme that night life

We'll dance in the moonlight
We'll rock until dawn
'N if you can not dig it baby
I'm movin' on

Sing me the good times
'Cause I need the feelin'
Yeah, Gimme that night life

Gimme that night life
Gimme that night life
