I believe in magic words  
I believe in love  
I believe in buried treasure falling from above  
One more time the world goes round  
One more magic day  
Now I've learned the magic sound that speeds it on its  
way  
And it goes pukka pukka pukka pukka squeetily boink  
Sweet melody  
Pukka pukka pukka pukka squeetily boink  
Neat harmony  
Whoa pukka pukka pukka pukka squeetily boink  
That's music to me  
Pukka pukka pukka pukka squeetily boink  
Pukka pukka squeetily dee  
You can learn the magic too  
You can learn to sing  
You can learn the special words that live in everything  
Teach your ear to here the stones  
Listen to the trees  
Magic is as magic does  
It lives in you and me  
And it goes pukka pukka pukka pukka squeetily boink  
Sweet melody  
Pukka pukka pukka pukka squeetily boink  
Neat harmony  
Whoa pukka pukka pukka pukka squeetily boink  
That's music to me  
Pukka pukka pukka pukka squeetily boink  
Pukka pukka squeetily dee  
Pukka pukka squeetily dee  
Pukka pukka pukka pukka squeetily dee
