Anybody can change Scrooge and so can you
When you're ready to start
There's room in your heart for love love love love
Anybody can grow Scrooge and you can too
When your doin' your part
There's room in your heart for love

If you want to live, give freely, and you will find
That what you get in trade, my friend, is piece of mind
If you're ready to walk in the sunshine, then open up
your heart
Well, open up your pocketbook it's the perfect place to
start
Beaker!

Beaker: Mee mee mee mee mee mee mee!

Yes! What your missin' is fun Scrooge
It's sad but true
Walk away from this gloom
There's room in your heart for love love love love

Beaker: Mee mee mee mee mee mee mee me mee
mee mee!

Exactly, Beaker!

When your doin' your best, you suddenly blessed with
love
If you want to live, give freely, and you will find
That what you get in trade, my friend, is piece of mind
If you're ready to walk in the sunshine, then open up
your heart
Well, open up your pocketbook it's the perfect place to
start

Beaker: Mee mee mee mee mee mee mee me mee
mee mee!

Start dancing, Beaker!

Beaker: Mee me!

Anybody can change Scrooge and so can you
When your ready to start
There's room in your heart for love love love
When your ready to start
There's room in your heart for
Beaker: Mee mee mee
When your ready to start there's room in your heart for
love!
