Every place I go,
No one seems to know.
Everything is always the same.
Still I need to trust,
In the best of us.
Can't we change the rules of the game?
It's time for everyone.
Time to live as one.
Watching here and there,
No one seems to care.
We could tear the whole thing apart.
Can't we pay the price?
Make a sacrifice?
Know we're different right from the start?
It's time for everyone.
Time to live as one.
It's time for everyone.
Time to live as one.
Needle fights the thread.
?? works the bread.
Wind and wave make war on the sea.
Nature knows the way.
Shows it everyday.
To join us though we still disagree.
It's time for everyone.
Time to live as one.
It's time for everyone.
Time to live as one.
It's time for everyone.
Time to live as one.
