My hair is black and red.
My hair is yello.
My eyes are brown and green and blue.

My name is Jack and Fred.
My name's Amanda Sue.
I'm called Kareem Abdul.
My name is you.

I live in southern France.
I'm from a Texas ranch.
I come from Mecca and Peru.
I live across the street,
In the mountains, on a beach.
I come from everywhere
And my name is you.

Chorus:
We all sing with the same voice,
The same song, the same voice.
We all sing with the same voice,
And we sing in harmony.

Sometimes I get mad and mean.
Sometimes I feel happy.
And when I want to cry, I do.

When I'm by myself at night,
I hold my teddy tight
Until the morning light.
My name is you.

I have sisters one, two, three.
In my family there's just me.
I've got one daddy.
I've got two.

Grandpa helps me cross the street.
My cat walks on furry feet.
I love my parakeet.
My name is you.

(repeat chorus.)

I like to run and climb.
I like to sit and read.
I like to watch my TV, too.

And when it's time for bed,
I like my stories read,
"Sweet dreams" and "Love you" said,
My name is you.

(repeat chorus.)
