"Without A Hat"

Well you can go take a bath.
Figure out math.
Eat a Doozer tower on the garden path.
But you can't do that.
No, no, no, you can't do that.
No you can't do any of that,
Without a hat.
Well you can ride on your bike.
Go fly a kite.
Make a sticky sandwich in the middle of the night.
No you can't do any of that,
Without a hat.
Well you can talk real tough.
Huff and puff.
Say you didn't mean it and all that stuff.
But you can't do that.
No you can't do that.
No you can't do any of that ,
With out a hat.
Can't do any of that,
With out a hat.
You can't do any of that.
Well you can be real brave.
Be real bold.
Over come a danger,
Just as good as gold.
But you can't do that.
No you can't do that.
No you can't do any of that,
Without a hat.
