After leaving my apartment
I feel this cold inside me
It howls away all through the market
It calls your name

oooh oooh
oooh oooh

On my way to your apartment
I write for fear of silence
You carved a boat to sail my shadow
Now I walk alone

oooh alright, alright

I hit the sidewalk, and this is how it starts
Caught in a wrinkle when things are fallin apart

After leaving your apartment

I hit the coast by nightfall
So sure to keep you dreamin
You understood

Oooh, I know, you understood
Yes sir, it shows, I was no good
ahh, ahh, ahh alright, alright

I hit the sidewalk, and this is how it starts
Caught in a wrinkle when things are fallin apart
cause sooner or later this is bound to stop
Come on lets save her but were falling hard

After leaving your apartment
I hear the cold
