Oh, I'm always home  
I'm always home

In time I could see you break  
Turn and see you're robbers don't shake  
Walking on your tree vines  
Tell them that you know your crimes

Oh, I'm always home  
I'm always

When that sun has gathered round  
And all is safe  
Cross the falls  
To the southern river  
Where the robbers drank

I know that I was wrong  
And that means every little thing  
I want a fuck and a fight  
Ooh  
In time I could see you shake

When the sun has settled down  
And I'm awake  
Blessed souls in the southern river  
Where the robbers sank

I know that I was wrong  
And that mean's every little thing  
I want a fuck and a fight  
Every little thing too  
Every little thing too  
Every little thing too  
Every little thing too  
Every little thing too  
Every little thing too  
Every little thing too

Every Little Thing
