Stop!
The train is riding
Down to the station where you lived
When we were school kids

Hey!
The rails are caught now
And I am falling down
Fools in a spiral
Round this town of steam

My Body tells me no!
But I won't quit
I want more, I want more
My Body tells me no!
But I won't quit
I want more, I want more

Stop
The train is riding
Down to the station where I lived
When I was a cool kid

Hey!
Is it my fault that

The fallen embers burn
Down in a spiral

Round your crown of thieves

My Body tells me no!
But I won't quit
I want more, I want more
My Body tells me no!
But I won't quit
I want more, I want more
And it rides out of town

Oh, it's my road (x2)
And
It's my war (x2)

His eyes are open
It's my war (x2)
His eyes are open (x2)

My Body tells me no!
But I won't quit
I want more, I want more
My Body tells me no!
But I won't quit
I want more, I want more
And it rides out of town
