Sweetness On the ribs of your Old
Dress Twilight Passed the banks of the
Warm Fire Whispers in the dark they hit the trees
And they run in to your heart to find mama's
sleeves
Daddy ain't awake yet and daylight's gone
You're afraid of the dark you think of mama's
bones

Says I can't live like this Because I heard your
mama cry
Behind the door I'm listenin' She said she's
gonna fly
With words your mouth she's kissing
She said Oh oh oh child Your back is straight

Don't let hurt curve it that way Say nah nah nah
nah;
Sweetness On the ribs of your
Bare chest Twilight On the roof of that

Snowy night You run into the dark without your boots on
And if you could be lost you'd find yourself at
home
Where mama's house is up on the sunrise

Sweet good god just take me by surprise
Cuz I can't live like this Says

I heard your mama cry Behind the door
I'm listenin' She says she's gonna try
With words your mouth she's kissin'
And she said oh oh oh child Your back is straight

Don't let hurt curve it that way
But I said mama just take me home
Cuz I can't stand bein' alone
This pain is shooting down my spine again I said
Daddy's feelin' sick I think he's gonna quit
Sweetness On the mouth of your caress Twilight
Past the stars of that open night
