

Young Veins "Take A Vacation!"

Visit "[Take A Vacation!](#)" on MotoLyrics.com

I need to take a vacation!
If this is settling down
Then why aren't you here?

I want a big celebration
The night we get back in town
And I hope you're all there

We'll leave the waves at the ocean
And keep them all in a picture

We'll leave the cold where we came from
Our loneliness will keep us warm

We're goin' very far

I want a big celebration
The night we get back in town
And I hope you're all there

We'll leave the past out to pasture
And take the days as they come

And leave the sand in a suitcase
So we don't forget the fun

We're goin' very far

I need to take a vacation!
If this is settling down
Then why aren't you here?

I want a big celebration
The night we get back in town
And I hope you're all there
