Don't wait around for love
Your not what he's thinkin of
When he's with the other girl
Don't bother waitin up cuz he
He's not where he's suppose to be
When he's with the other girl
When he's with the other girl

Refrain x2
You, you were right
I was wrong
Like I always am
And you always are

You were right
And I was wrong
Like I always am
And you always are

Don't have much to say right now
Cuz I'm tryin to figure out
Why he's with the other girl
Life is not a fairy-tale
They will send him straight to jail
Where he'll die and go to hell
With the other girl
With the other girl

Refrain x4
You, you were right
I was wrong
Like I always am
And you always are

You were right I was wrong
I was wrong
Like I always am
And you always are

You, you were right
I was wrong
Like I always am

And you always are

You were right
I was wrong
Like I always am
And you always are
