Visit "[A Certain Girl](#)" on MotoLyrics.com

There's a certain girl
I've been in love with a long, long time
(What's her name?)
I can't tell you
(No)

I can't reveal her name until I've got her
(What's her name?)
I can't tell you
(No)
Well, I've tried to get her time and time again
We just end up as nothing but friends

And there's a certain girl
I've been in love with a long, long time
(What's her name?)
I can't tell you
(No)

Well, there's a certain chick
I've been sweet on since I met her
(What's her name?)
I can't tell you
(No)

I can't repeat her name until I get her
(What's her name?)
I can't tell you
(No)
Well, one day, I'm gonna wake up and say
"I'll do anything just to be your slave"

And there's a certain girl
I've been in love with a long, long time
(What's her name?)
I can't tell you
(No)

Well, I've tried to get her time and time again
We just end up as nothing but friends
And there's a certain girl
I've been in love with a long, long time

(What's her name?)
I can't tell you
(No)

There's a certain chick
I've been sweet on since I found her
(What's her name?)
I can't tell you
(No)
I can't reveal her name until I get her
(What's her name?)
I can't tell you
(No)

Well, now one day, get her time and time again
We just end up as nothing but friends
And there's a certain girl
I've been in love with a long, long time
(What's her name?)
I can't tell you
(No)

I can't tell you
(No)
I can't tell you
(No)
I can't tell you
