Goodnight sweet Josephine  
She's the queen of Clapham  
Every night  
She goes out with men to trap 'em  
In her net of ecstasy

Goodnight sweet Josephine  
There's no one else quite like you  
If Josephine could  
She'd give you her blood  
I know that she would love to

Goodnight sweet Josephine  
Goodnight sweet Josephine  
Goodnight sweet Josephine  
We love you

Goodnight sweet Josephine  
We love you to distraction  
Whatever she does  
The police will take no action  
They're all in love with Josephine

It's right that Josephine  
Should do just as she pleases  
And whether or not  
You like what she's got  
She's guaranteed not to fail you

Goodnight sweet Josephine  
Goodnight sweet Josephine  
Goodnight sweet Josephine  
We love you

Goodnight sweet Josephine  
Goodnight sweet Josephine  
Goodnight sweet Josephine  
We love you

Goodnight sweet Josephine  
Goodnight sweet Josephine  
Goodnight sweet Josephine
