I've Been Wrong (Keith Relf / Jim McCarty / Chris Dreja /  
Paul Samwell-Smith)

(BBC version)

The bells have tolled,  
My baby caught that train and gone.  
Yeah, the bells have tolled,  
My baby caught that train and gone.  
Well it's all my fault,  
I must have done somebody wrong.  
I done wrong.

Well, and everything's wrong,  
I know I'm the one to blame.  
Yeah, now everything's wrong,  
I know I'm the one to blame.  
Gonna get me a new girl,  
Maybe my luck will change.  
I hope it will.

My baby's [threatened?] my luck would change,  
I didn't listen,  
Now look at me,  
I done wrong,  
It's all my fault,  
I must have done somebody wrong.

---

I Ain't Done Wrong (Keith Relf)  
(studio version)

Yeah the bells have tolled,  
And my baby caught that train and gone.  
Oh the bells have tolled,  
And my baby caught that train and gone.  
Well it's all my fault,  
I must have done somebody wrong.

Well it's all my fault,  
And I just can't explain.  
Yes it's all my fault,  
And I just can't explain.

Gonna get me a new [doctor? / doll?],  
So maybe my luck will change.

My baby's [treating me that my luck would change?]  
I've been goin' around,  
And now look at me,  
Done somebody wrong,  
Well it's all my fault, I must have done somebody  
wrong.
