If you love me
Like I love you
We can keep on
Forever true

If you love me
Like I love you
We can do things
That lovers do

If you love me
Like I love you
All of our dreams
Will come true

Love me like I love you
Love me like I love you

If you love me
Like I love you
We can keep on
Forever true

If you love me
Like I love you
We can do things
That lovers do

If you love me
Like I love you
All of our dreams
Will come true

Love me like I love you
Love me like I love you
Love me like I love you
Love me like I love you
