You say you love me
And you're thinkin' of me
But you know you could be wrong
You say you told me
That you wanna hold me
But you know you're not that strong

I just can't do what I done before
I just can't beg you any more
I'm gonna let you pass and I'll go last
And time will tell just who has fell
And who's been left behind
When you go your way and I go mine

You say you disturb me
And you don't deserve me
But you know sometimes you lie
You say you're shakin'
And you're always achin'
But you know how hard you try

Sometimes it gets so hard to care
You can't be this way everywhere
I'm gonna let you pass and I'll go last
And time will tell just who has fell
And who's been left behind
When you go your way and I go mine

Well, the judge, he bears a grudge
He's gonna harm you
But he's badly built
And he walks on stilts
Watch out he don't fall on you

You say you love me
And you're thinkin' of me
But you know you could be wrong
You say you told me
That you wanna hold me
But you know you're not that strong

I just can't do what I done before

I just can't beg you any more
I'm gonna let you pass and I'll go last
And time will tell just who has fell
And who's been left behind
When you go your way and I go mine
