(Chris Dreja)

Feet on the sidewalk  
I feel kinda sick  
Hands out front  
I need a white stick  
Blurred in the morning  
Bruised at night  
Falling in the darkness  
Could've been a fight

Chorus

My blind life  
I cant see the road  
I cant see the light

Kicking in the doorway  
Climbing up the stairs  
wading in the water  
Knocking on the door  
Bringing home the Bacon  
Back to the wall

Feel like a looser  
Gonna take a fall

Chorus

My blind life  
I cant see the road  
I cant see the light

Chorus

My blind life  
I cant see the road  
I cant see the light
